Leprosy Survey.—The Sub-Assistant Surgeons engaged on special work relating to Leprosy Survey continued to work in the affected areas in the Malvalli, Mandya and Goribidnur Taluks, and the Sub-Assistant Surgeon on the Survey of Leprosy cases in Bangalore City conducted a systematic examination of the labourers employed in all the Mills and Factories in Bangalore.

Medical Inspection of Schools.—Mr. S. Raju Iyengar, Assistant Surgeon, deputed to Europe to specialise in the Medical Inspection of Schools, returned after obtaining the requisite qualifications.

Boards of Visitors.—The Boards of Visitors for the Victoria and Minto Ophthalmic Hospitals paid regular visits and made valuable suggestions with a view to improve the usefulness of the Institutions and to provide better comforts for the patients. The Boards in respect of the other District Headquarter Hospitals and Local Fund Dispensaries continued to function, although in several instances, their meetings were not held at regular intervals.

Important events.—The following deserve mention among the important events of the year:—

(i) The laying of the Foundation stone by His Highness the Maharaja of Mysore, of the McGann General Hospital at Shimoga, during January 1932, and

(ii) the opening by His Highness the Yuvaraja, of the Mallegowda General Hospital and the Siddanna Setty Eye Hospital, both at Chikmagalur, during March 1932.

General.—During the year under review, facilities were provided for anti-rabic treatment in the District Headquarter Hospitals at Hassan, Tumkur and Shimoga, and a revised rate of fees for examination of Refraction cases was fixed.

During the year, the Senior Surgeon was deputed to Calcutta for visiting certain Chemical and Pharmaceutical Works there.

Under the provisions of the Mysore Medical Registration Regulation, the First Medical Council was constituted during the year under review, and 430 Medical Practitioners were registered.

Inspections.—The Senior Surgeon inspected all the major Medical Institutions, besides 84 other Dispensaries. He also performed 51 important operations during his visits to the Hospitals.

The work of the Department continued to be satisfactory under Dr. S. Subba Rao.
